

Trump Proclaims Racist Rebbe is "King"

May 16, 2025

Hidden in Plain Sight

(Talk about cognitive dissonance.)

At the left, Trump and fellow Chabad gangsters chose Oct 7, 2024 to commemorate the 2023 Mossad-Hamas attack used to ignite the third Masonic Jewish world war.

Schneerson taught that there must be a nuclear conflagration to exterminate non-Satanists

including assimilated Jews. This will be engineered by pitting the two branches of Freemasonry - Communism (left) and Zionism (right) -- against each other in a repeat of WW2.

Trump, Putin and Netanyahu are all members of Chabad.

Trump proclaimed this racist psychopath as "King."

No wonder Amerika is party to the Palestinian genocide.

Do you really believe the US is distancing itself from Israel?

(<https://x.com/SGTreport/status/1921620660985426368>) This is just to fool the goyim into thinking they are fighting for the USA.

**CHABAD LEADER, MENACHEM MENDEL SCHNEERSON
ENGINEERS WAR TO DESTROY SLAVS AND GENTILES IN
GENERAL**

"This speech [a letter sent to the newspaper] of Menachem Mendel Schneerson, the Chabad Leader and so called Messiah (the Lubavitcher Rebbe), was published in the Vologda newspaper "Slavyanin», N-4 (32), 2001 in Russia.

Following the publication, the court was unable to prosecute its editor, V.F. Popov, under trumped up charges under Article 282, [incitement of national hatred] as he operated on the facts, and several Russian scientists stood up for him, including Academician Y. K. Begunov and Doctor of Law O.G. Korotayev.

This speech was uttered by Menachem Mendel Schneerson in 1994. There is much debate about its authenticity, as once argued about the validity of *"The Protocols of the Elders of Zion,"* but it is an indisputable fact that almost all the goals, laid out by Schneerson,

have been achieved by now. This speech is simply the application of Talmud to Ukraine and Russia. Talmud says: Jews should murder and enslave goyim worldwide. This speech says: Jews should murder and enslave goyim in Ukraine and Russia.

Yes, the speech by Menachem Mendel Schneerson is monstrous. For a normal person, it is hard to believe that a religious leader can be a MURDERER, and that the religion can be THE IDEOLOGY OF MURDER."

AND THEN HAVE THE PRESIDENT PROCLAIM HE IS KING???

1. Our special tactics to combat Slavs is a secret knowledge, because of its exclusivity limited to the god's chosen people. The main weapon of struggle we will direct against the Slavs, except for renegades, "married" with the Jews by common interests. True, all these "married to us" will be withdrawn from our society once we use them for our own purposes.

Slavs, and among them Russians - are the most unbending people in the world. Slavs are unbending as a result of their psychological and intellectual abilities, created by many generations of ancestors. It is impossible to alter these genes. **Slav, Russian, can be destroyed, but never conquered. That is why this seed is subject to liquidation, and, at first, a sharp reduction in their numbers.**

2. Our methods of conquest will not at all be military, but ideological and economic, with the use of power structures, armed

with the most modern types of armament for the physical suppression of revolt with even greater ferocity than it was done in October 1993 with gunning of the Supreme Council of Soviet Russia.

First of all, we will divide the Slavic nations (of 300 million, half of them Russians) into the small countries with weak and severed connections. For this, we will use our old method: Divide and conquer. We will try to pit these countries against each other, and suck them into civil wars for the sake of mutual destruction.

*"We have
weaponry
nobody
knows
about..more
powerful than
any weapon
on earth."*

**The
Ukrainians
would think
that they
are fighting
against the**

expansionist Russia and struggling for their independence.

They will think that they have finally gained their freedom, while they become fully subdued by us.

The same will be thought by Russians, as though they defend their national interests to return their lands, "illegally" taken away from them, and so on.

We will do all of this under the guise of different sovereignties, the struggle for their national ideals. At the same time, we will not give either party any self-determination, based on the national values and traditions.

In this war of fools, the Slavic moronic herd will be weakening itself and strengthening us, the main controllers of the chaos, pretending to stand aside, not only without participating in the bloody events, but also without involvement.

Moreover, we will fully protect ourselves. In the consciousness of the Slavic fools (uninitiated), we will lay such stereotypes of thinking in which the word "anti-Semite" would become the most terrible word. The word "Jew" would be pronounced in a whisper.

We will scare the cattle with several court cases (such as the trial of an anti-Semite Ostashvili, followed by his destruction) and other methods (radio, television - frightening movies, such as revenge of the Israeli Mossad super-spies for killing of Jews). We will frighten the cattle so bad that not a single hair will fall from the head of a Jew, while the Slavs will be shot in packs, destroyed by thousands - on the borders, where the Jews do not serve in peacekeeping forces, via terrorist acts, and via criminal and professional killings [such as the acts of terrorist at Beslan school that took hundreds of lives, in the Moscow subway, and so on].

3. Dumb Slavic people do not realize that the worst fascists are those who never and in no place proclaim fascism aloud, but, instead, organize it all supposedly according to the most democratic

standards. On the contrary, we will make the very word "fascist" a dirty word.

Everyone will be scared that we will stick this label to him. We know very well that nationalism strengthens the nation, making it strong. The slogan of "internationalism" is outdated and no longer works as before. We will replace it with the "universal human values", which is the same thing.

We will not allow any nationalism to evolve. And we will destroy by fire and sword all those nationalist movements that seek to lead people out of our dictate, as it is done in Georgia, Armenia and Serbia. Instead, we will insure the full prosperity of our nationalism - Zionism, and, more precisely: Jewish fascism, which, in its secrecy and power, is super-fascism.

It is not for nothing that in 1975, the UN General Assembly adopted a resolution which defined Zionism as the most blatant "form of racism and racial discrimination", but repealed this resolution in 1992, because of our triumphant march across the planet. We have made UN a weapon for our goals of seizing power over "all kingdoms and nations."
